The Early Ford V-8 Club of America Regional Group 94 Inc. SOUTH AUSTRALIA

In Australia there were a number of V-8 enthusiasts with a strong contingent in South Australia. In the Spring of 1977 this group got together at a picnic at Bonython Park to discuss the possibility of forming an Early Ford V-8 Club in South Australia.

The first formal meeting was held and it was decided to approach the Early Ford V-8 Club of America to seek a Chapter in Australia.

A letter sent by the Committee resulted in South Australia being awarded a Chapter status and we became Chapter 94 of The Early Ford V-8 Club of America on the 9th October 1977. By 1978 membership stood at 36 with bi-monthly Meetings being held at Flinders Lodge Hotel. Members did not have to own a Ford V-8 to join.

The Inaugural Dinner was held at the Waterfall Gully Restaurant on the 28th October 1977 and guests included Eddie Ford, Editor of Restored Cars Magazine.

A Visitors Book was established at that time and is still in use today.

Another noted guest at a subsequent meeting of the Club was the late Lewis Bandt, designer of the first Coupe Utility in the world.

The first official meeting was held on 30th January 1978. The Chapter arrived 8th February 1978.

The Club caters for Ford V-8 vehicles from 1932 to 1954 which encompasses the years in which the Sidevalve V-8 was produced.

The Club has a monthly magazine called "The V-8 Views"

The Club tries to have a run each month, 2 club mini swap meets after a general meeting, 2 Garage Tours a year and an Annual Run staying overnight. Every 2 years there is the Early Ford V-8 National Meet held either in Queensland, New South Wales, Victoria or South Australia.

Meetings are held at the CCC clubrooms Clark Avenue, Glandore every 3rd Monday of the month at 8.00 pm.

Visitors & Prospective Members are always welcome.
